Re: *Safety Light Corporation Site*
Bloomsberg, Pennsylvania

Dear Mr. Steinmetz:

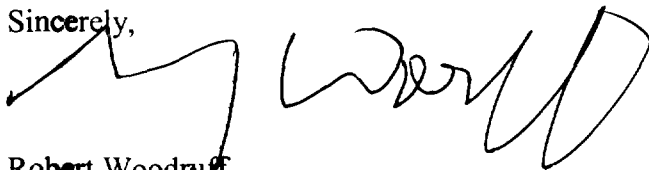

Saint Louis University is in receipt of the U.S. Environmental Protection Agency ("EPA") letter of July 25, 2005 ("Information Request"), seeking information concerning a release, or the threat of a release, of hazardous substances, pollutants or contaminants into the environment at the Safety Light Corporation Site off Old Berwick Road, Bloomsburg, Columbia County, Pennsylvania. Saint Louis University has no knowledge, or belief of a business relationship ever having existed between Saint Louis University and Safety Light and/or any of the other entities named in the Information Request. Saint Louis University's responses to questions posed in the Information Request are set forth below:

1. Saint Louis University has no knowledge or belief of a business relationship ever having existed between Saint Louis University and Safety Light and/or any of the other entities named in the Information Request. Saint Louis University has conducted a complete search of its available records and there is no documentation of a business relationship between the University and Safety Light.
2. Saint Louis University has no knowledge or belief that the University ever transported and/or brokered hazardous substances and/or radioactive wastes or other wastes that were disposed of or reclaimed by U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal, Isolite to the Site. Saint Louis University has conducted a complete search of its available records and there is no documentation of Saint Louis University ever having transported and/or brokered hazardous substances and/or radioactive wastes or other wastes that were disposed of or reclaimed by U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal or Isolite to the Site.

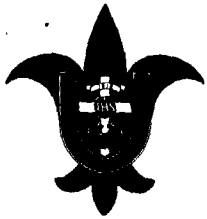

3. Not Applicable.
4. Saint Louis University has no knowledge or belief that the University ever generated radioactive wastes or other wastes that were disposed of or reclaimed by U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal, Isolite to the Site. Saint Louis University has conducted a complete search of its available records and there is no documentation of Saint Louis University ever having generated radioactive wastes or other wastes that were disposed of or reclaimed by U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal or Isolite to the Site.
5. Not Applicable.
6. Saint Louis University has no knowledge or belief of a business relationship ever having existed between Saint Louis University and Safety Light and/or any of the other entities named in the Information Request. Accordingly, Saint Louis University does not know of any persons able to provide more detailed or complete responses to any of the questions posed in the Information Request, or who may be able to provide additional responsive documents.
7. Saint Louis University has no knowledge, or belief of a business relationship ever having existed between Saint Louis University and Safety Light and/or any of the other entities named in the Information Request. Accordingly, Saint Louis University is unaware of any information or documents that would be responsive to the Information Request that are not in the University's possession, custody or control.
8. Saint Louis University has no knowledge, or belief of a business relationship ever having existed between Saint Louis University and Safety Light and/or any of the other entities named in the Information Request. Accordingly, Saint Louis University is unaware of any other information about other parties who may have information that would assist the Agency in its investigation of the Site, or who may be responsible for the generation of, transportation to, or release of contamination at the Site.
9. Not Applicable.

Please direct any future inquiries or questions to Gregory A. Patterson, Associate General Counsel, Saint Louis University, 221 North Grand Boulevard, Suite 219, St. Louis, Missouri 63103.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Woodruff', is written over a horizontal line.
